Welcome Aboard! Join us for a fall adventure to one of the most beautiful places in Northern Ontario - Sault Ste. Marie. The highlight of this trip is the famed Agawa Canyon Tour Train which will transport us 114 miles north of Sault Ste. Marie, over towering trestles, alongside pristine northern lakes, through granite rock formations and vast forests of the Canadian Shield. But Sault Ste. Marie doesn't end there. On our second day we will also enjoy an informative lock cruise onboard the Miss Marie which will transport us along the historic St. Mary's River through the Sault Ste. Marie Canal National Historic Site lock system into Lake Superior. The Soo locks are one of the busiest canal systems in the world connecting Lake Huron & Lake Superior. Not only will you learn about the historical significance of the locks, but you will also experience picturesque views. We have included a unique dinner and a tour at the Canadian Bushplane Heritage Centre on our final night.

Here you will get to explore the history of aviation and the importance of the bush planes in Northern Ontario life. We have included plenty of free time on this tour to enjoy the Sault Ste. Marie Waterfront, take in the Art Gallery of Algoma or shop along the boardwalk. You will also receive breakfast daily, 1 lunch, 1 dinner and the services of a Lakeshore/Cardinal Tour Director. This tour is truly a Canadian one. Please note this is an active tour and does involve some longer days so it is not recommended for those with mobility constraints.
