Ride the rails at the Halton County Radial Railway. It is a full-size operating electric railway and museum, featuring historic electric railcars operating on two kilometers of scenic track. The HCRR is proud to be Ontario's first and largest electric railway system. It was formed in 1954 by a group of men who wanted to save Toronto Transit Commission streetcar 1326 from being sent to the scarpard. Next, we will go to the Aberfoyle Mill for an included lunch. The Mill originally functioned as a grist mill, powered by the pond situated at the back of the building. In 1867 the Mill won a gold medal, for its oatmeal at the World's Fair in Paris. The Mill functioned until the late 1920s. In 1960 the Mill was purchased by the Owens family and after about 6 years of restoration, it was converted into one of the most unique restaurants in Canada. After the Mill we will head on down to Springridge Farms to enjoy a farm wagon ride, a fresh strawberry dessert, and a quart of strawberries for each to take home. The Springridge Farm bakery is famous for pies and tarts. It all began with Cherry Pies using cherries from the farm. Now, over 50 years later, their bakers are renowned for their Strawberry-Rhubarb, Apple, and Blueberry Pies too!

Art and wine, the perfect pairing! Tune into your creative side when we visit McMichael. The story of the McMichael Canadian Art Collection began in 1952, when Robert and Signe McMichael purchased ten acres of land in Kleinburg, Ontario. The McMichaels began to collect works of art by Tom Thomson and the Group of Seven, artists who drew inspiration from the natural landscape. In 1965, the McMichaels donated their collection, their home and their land to the province of Ontario. In July of 1966, the "McMichael Conservation Collection of Art" officially opened. Over the years, the collection has continued to grow and it is now comprised of more than 6,500 pieces of art. This show is set in a little town in the 1950's just like Stratford where you will see the play at the Festival Theatre. It's a work of Shakespeare from 1602 that has been revamped into more of a relatable time frame. The title relates to the town of Windsor, and the location of the Windsor Castle in Berkshire, England. If you keep up with the Royal Family the Duke and Duchess of Sussex were Married in Windsor Castle in Summer of 2018. Whether you want to see what wreaks havoc on this double-dealing man, you love the works of Shakespeare, or theatre is your passion this show will have you at the edge of your seat anxious to see what happens next! There is an included buffet lunch with this tour at the Crossroads restaurant before the show.
