All aboard! The train is pulling out and heading to Quebec City - often referred to as North America's most European City! Relax and enjoy the beautiful countryside from the comfort of your seat with a short stopover in Montreal. Upon arrival in Quebec City, we will be picked up by coach to head to the heart of the historic and walkable Old Quebec City. The distinctive and recently renovated Manoir Victoria hotel will be your home for the next three nights. Over the course of your stay, you will tour the city by motor coach and see the many sites that the first French city of North America has to offer. Visit the Latin Quarter, the Plains of Abraham, the ramparts, the National Assembly, the Basilica, Town Hall, Place Royale, the Citadelle, plus enjoy an excursion to Sainte-Anne-de-Beaupre, Ile d'Orleans and Montmorency Falls. There will be free time to venture out on your own and see new places within the walled city. On the last night you will enjoy an included dinner in Quebec City. Please note that this is a fairly active tour with lots of walking. Quebec City has many cobblestone streets and hills, so it is not recommended for anyone with mobility constraints.
